GREEN SEAL DIXIE WINNER

EXCITING FINISH MARKS DECISION OF FUTURE RACE AT MONCREIF PARK.

Lady Stalwart, Repeating Victory of Her Initial Appearance, Makes Show of Her Opposition—Jockey Burns in Control of W. C. Daly.

Jacksonville, Fla., January 15.—The Dixie Handicap, the feature at Moncreif Park this afternoon, proved one of the best contests as yet run over the new course. The three first horses finished noses apart. The winner turned up in the St. James Stables Green Seal, ridden by Chas. Green Seal carried top weight, made most of his own pace, and out-gained Winfran in the final drive. Polls, which finished third, ran the best race of the bunch. He was taken wide in the stretch and at the end was wearing the leaders down.

Lady Stalwart, the good-looking filly uncovered by Henry McDaniel a few days ago, made a show of her company in the two-year-old race, which she won by half-a-dozen lengths. Four favorites were successful.

Jockey Guy Burns, who has been riding for the Schorr stable, is again under the control of William C. Daly. The latter holds a contract on Burns' services until next November. It is understood that Schorr is negotiating for the boy, but the chances are that some eastern owner will get him.

R. L. Rites today took charge of the Tremont Stable horses. This is the second shift made in trainers for this stable in a week. F. J. Townsend, who came from New York to take charge of the horses, returned north last night.

E. R. Bradley was among the visitors at Moncreif Park this afternoon. He is on his way to Palm Beach, where he will spend the winter.

W. H. Fizer got in from Tampa this morning and his big string will arrive tomorrow. Boca Grande will be prepared for the Derby that will be run here in April.

"Frisco" Gardner was among the new layers who cut in this afternoon. It was the first time he looked this season.

The Saratoga Association has elected directors for 1910 as follows:

Richard T. Wilson, Jr., Francis R. Hitchcock, Andrew Miller, W. W. Conner, C. S. P., Perry Belmont, J. H. Alexander, Philip J. Dwyer, H. P. Whitney, Schuyler L. Parsons, C. H. Waring, James R. Keene and Thomas H. Hitchcock, Jr. Among the Saratoga stockholders who were in attendance at the meeting were John Sanford and W. R. Gage. After the election of the board passed, the coming season were discussed, and it was the sense of the meeting that for the coming season at the Springs the policy would be a liberal one, and that in addition to increasing the value of several of the races some new fixtures would be added to the stake list.

Officers of the Coney Island Jockey Club for 1910 have been elected as follows: Schuyler L. Parsons, president; Francis R. Hitchcock, treasurer; V. E. Schaumburg, secretary. The executive committee is composed of the officers with the addition of J. H. Alexander, Thomas Hitchcock, Jr., Herbert C. Pell and F. K. Sturgis.

A. Henry Higginson, who races under the name of Mr. Chetland, has purchased the jumper, Prince Hampton, from J. W. Colt for \$1,500.

Among the nominators for the eastern stakes of 1910 the name of Miss Selma Lakeland appears among the owners. Miss Lakeland is a daughter of the veteran turfman, William Lakeland. The St. James Stable, the racing establishment of Irving H. Wheatcroft, is another newcomer to the tracks of the Jockey Club.

It is promised that when the Sheephead Bay meeting is held the coming summer it will be possible for patrons to take trains direct for the track from Broadway and Thirty-fourth street.

NOMINATED FOR EARLY ENGLISH STAKES.

New York, January 15.—August Belmont will make an early start with his English string this year. For the Lincoln spring meeting, which begins in March, Amical is named for the mile and a quarter of the Chaplin Stakes. At the Liverpool meeting he has named Hasty Pudding in the mile of the Union Jack Stakes. H. P. Whitney has nominated the Hamburg—Yorkville Belle colt in the Union Jack Stakes and for the mile of the Bickerstaffe Stakes, also at Liverpool, both Whisk Broom and Top o' the Morning are eligible.

JUAREZ HAS BIG TURNOUT.

Yesterday's Patronage of Surprising Proportions—Servile Continues His Victorious Career.

El Paso, Tex., January 15.—This was the best day of the Juarez meeting in respect to paid attendance. The big increase in racing patronage was unusual and unexpected, because there are no half-holidays hereabouts. Saturday is the busiest business day of the week in El Paso and few have time for sport. Society, particularly the feminine portion, was more largely represented at Terrazas Park on this occasion than on any afternoon of the meeting. Weather and track conditions were perfect, and, despite the absence of stake features, the racing produced was of the best winter brand.

Servile continued his stake class in the handicap at seven furlongs. The Madden-bred gelding cauterized the distance in 1:25 3-5, leading a quintet of fast opponents, including Wander, Goldfinch, French Cook, Black Mate and Lomond, and was pulled up at the end. All, except the introductory race, in which jockey Pendergast rode the favorite, Kiamasha II., to defeat in reprehensible fashion, were true run affairs. It is believed that after today's failure Pendergast will be classed by the stewards as one of the undesirable as a jockey.

H. G. Bedwell will have a monopoly of the best jockey talent here. Shilling and Austin on Prince Ahmed and Righteous in the rich El Paso Handicap tomorrow. G. Archibald, T. Rice and McCahey, who had been respectively engaged to ride Meadow, Glorio and Charlie Hargrave, are under suspension by the starter, and no first-class riding material is available. It is believed that Mr. Cassidy will allow the trio to fill their engagements in the feature.

A. L. Kirby, representing J. B. Respass, has just sold Congo to A. Wilson, owner of Wander, for the reported price of \$500.

B. Meyer claimed Ed Keck yesterday. L. O. Lee has protested the claim on the ground of irregularity. Charlie Doherty has been thrown out of training and fired.

John Troy, agent for the estate of the late Captain John Hackett, has been offered \$2,500 for Yuba and San Francisco Maid. Captain Ed Hackett, brother and sole legatee of the late millionaire turfman, has wired that he will be here next week. The Hackett interest in the Utah Jockey Club will be protected by a further payment of \$4,000 on account and the estate will exercise a controlling interest in the enterprise.

Colonel Matt J. Winn returned from Louisville this morning and again took charge of affairs of the Jockey Club Juarez.

Servile created a new track record for seven furlongs in winning his race. A new track record for a mile and a sixteenth was likewise established by Wolferton.

UNUSUAL INCIDENT AT OAKLAND.

San Francisco, Cal., January 15.—Starter Dwyer overlooked Phil Mohr when he was in front of the barrier in the race at Oakland today and, as a result, the race was re-run. When the field was at the post Phil Mohr broke away and ran about a furlong. The others lined up while he was returning, and Dwyer, overlooking the Schreiber gelding, sent them away. When Martin, who was watching the starting line, saw the field start, he called out "start" and the race was re-run. Phil Mohr was again in the lead, romping home in front of Old Mexico and Zinkand. The boys did not dismount and the judges ordered the horses back to the post. Martin succeeded in beating the gate with Phil Mohr, but he tired when the stretch was reached and succumbed to Old Mexico. Zinkand was again third, Lady Elizabeth, the favorite in the original betting, failed to show her usual speed. Phil Mohr was an even-money favorite in the second betting. The unusual incident occasioned considerable excitement and it was recalled that in a race run in the fog at the old Bay District track a horse led his company home under similar conditions.

The track was heavy and although the sun shone during the greater part of the time there were light showers.

The Lissak Handicap, the feature of the card, resulted in a victory for Rubbing Water, the favorite, over Fort Johnson. The Mackenzie representative was best, but Tapin got him out and pocketed after he had dwelt at the start. Arasse also dwelt, and his rider used him excessively in making up ground.

After six consecutive victories Rosslare finally met defeat in the last race.

The judges suspended E. Martin for a week and fined L. A. Jackson \$25 for rough riding in the first race. The boys were on Phil Mohr and Old Mexico and engaged in a whip duel.

A. Thomas, who won two winners, was suspended for three days by starter Dwyer for misbehavior at the post in the second.

The stewards have restored J. P. Sullivan of Los Angeles and the horses Cool and Roy T. to good standing. It was found that stimulants had been administered to the horses. Sullivan, who is an orange grower, was not here and he proved to be the sole owner. He has placed his horses in the hands of E. C. Blum, taking them away from their former trainer.

H. G. Bedwell traded Tony Faust to O. A. Bianchi for Gilbert Rose and a cash consideration before leaving for Juarez.

W. C. Scott has bought Cuernavaca. Ranonica, winner of the last race of yesterday's program, raced in Honolulu last summer, being the star of the meeting given at Hilo. In two days she won five races at varying distances between three furlongs and a mile and a quarter.

Trainer Maxwell has only seven of the thirteen yearlings brought down for him to train from Oakwood Stock Farm. Four have been sent back to the ranch for further development and the others have been sold. F. Wallhauser bought the filly by Santello out of Zelvedes, and the Salt Lake Stable got the sister to Directello, by Santello, out of Directa.

SALVIDERE CLOSE TO \$100,000 CLASS.

Thomas Hitchcock, Jr., figures on winning some of the notable jumping races of 1910 with the six-year-old chestnut gelding, Salvidere, that as a two-year-old in 1906 was superior to such brilliant racers as Peter Pan, Electioneer, McCarter, Ballot, Montgomery and Frank Gill later on proved to be. At that age he won the Junior Champion, Saratoga Special, Brighton Junior and Montauk Stakes and Adirondack and Winged Foot Handicaps, and though his early three-year-old season was somewhat of a disappointment, he came strong at the end of the year and captured the Brighton Cup and Brighton Cup Preliminary and Annual Champion Stakes. Salvidere is about the best race horse ever put to jump in this country, and has only to win a few of his starts between the flags to land in the select list of \$100,000 winners on the American turf, as he already has earned \$91,704.

Salvidere was really the cause of J. E. Madden adopting the fad of sticking to members of the famous Magnolia family so closely, but exacting that they be chestnuts in color. Salvidere is that color, as were also his near relatives, Blue Girl, Andolene, Matanza, Lady Bedford, Saratoga Belle, Fayette's dam, and his granddam, the great mare Sallie McClelland. Iroquois, Blues and Lady Amelia of this famous family were not chestnuts, but were all remarkable racers.

Necha was a sufferer from early interference and had to go wide into the stretch, then carried Cobmosa wide in the last furlong and drew out in the last sixteenth, but was disqualified for crowding Cobmosa. The latter went well and would have won with a clear course. Judge Saufley finished with a rush through the last furlong. Daisy B. had a rough trip. Limelight ran a good race. The winner was entered for \$200; no bid.

Scratched—87403 Esther Brown, 102; 87403 Firebrand, 109. Overweights—Cobmosa, 2 1/2 pounds; Limelight, 2; Sanona Girl, 3 1/2.

Went to post at 2:56. At post 1 minute. Start good. Won driving; second and third the same. Grenade was outpaced for the first five furlongs and went wide into the stretch, but finished with a rush and got up in the last stride. Grace Kimball, well up from the start, took the lead on the far turn and saved ground on the stretch turn, but tired slightly in the closing strides. Billy Hibbs, badly ridden and taken wide throughout, tired badly after going a half. John Garner showed speed, but tired. The others were never prominent in the running. Went to post at 3:20. At post 2 minutes. Start good. Won driving; second and third driving. St. Deinioi went into the lead after wearing inspection down and won easily. Ceaser showed sudden improvement, ran well and outgamed Morpeth. The latter was taken wide throughout, but closed a big gap and should have given the winner an argument. Inspection tired after leading for a half. Temper ran well. Lou Lanier ran poorly. The winner was entered for \$400; no bid.

Went to post at 3:44. At post 2 minutes. Start good. Won driving; second and third the same. Osorine was sent into a long lead in the first half and, staying well in the final drive, got home in a tight fit. Hyperion II. was under sharp restraint for the first three-quarters, then almost got up and could have beaten the winner. Warner Griswell ran a good race and was going fast at the end. Kercheval suffered from interference on the first turn and would not extend himself fully afterwards. Heart of Hyacinth propped when the barrier arose and sulked most of the way.

GOSSIP FROM THE BLUE GRASS REGION.

Lexington, Ky., January 15.—This was another week of inactivity at the Kentucky Association course. Snow, ice, rain and mud precluded anything other than shed exercise. The health of the horses, of which there are upward of 150 in the bars, is generally good. The same report comes from the farms. The seventeen-year-old bay mare, Chiffon, by Lisbon, out of Cambric, by Hindoo, was found dead in her paddock at Irving H. Wheatcroft's Oakwood Farm Tuesday morning.

Jack Baker this week began the organization of his string for the campaign of 1910. He took up Jeff Bernstein, Sylvester and four others that have been running out of the Meadows and during the coming week will take up about a dozen more. He expects to race eighteen horses this year. Jeff Bernstein is in superb winter condition.

W. J. Young has sixteen head in his barn and will take up six more within the next ten days. About February 1 he will ship the string to Louisville for training at Douglas Park. Dan Morris took Superintendent Ross a day or two ago that he is thinking of going to Douglas Park to get his horses ready. Trainers prefer the Douglas Park track because it drains off more rapidly than the local track. John Walters, who will train Hal Woodford's horses, will be quartered at Douglas Park. The Woodford horses are now at the farm of their owner near Paris and will be taken up about February 1.

The only foals of this year thus far reported are two fillies at E. R. Bradley's Idle Hour Farm. They came on January 10. One is the property of "Lucky Jack" McGinnis and is by Frank Gill out of Run of Luck. The other belongs to Mr. Bradley and is by Mart Santa, out of Sweet Alice. There has been little slipping this winter and for the next ninety days foals will be coming in goodly numbers.

The three-time victory of Oracle, the first of the get of Delhi, has given Major Forhall A. Daingerfield, the manager of James R. Keene's Castleton Stud, much pleasure. Major Daingerfield did not breed Oracle, but he bred Delhi and now has him in the stud at Castleton. He has always had great faith in the son of Iron Brush and Vena, a filly owned by Mart Santa, is a daughter of Oracle and is owned by Hal P. Headley of Beaumont Farm. Oracle was purchased from Mr. Headley privately by T. P. Hayes.

Six winners out of eight successive foals is the splendid record of A. O. Bianchi's good California mare, Lavena C., daughter of Ansel and Miss Goodrich. Lavena C.'s first foal was Ravelena in 1901, and then came Edith Vee, Carl Sweeney, Tawassutha, Heather Scott, Lee Rose, Gilbert Rose and Frank Rubstaller. All have Edith Vee and Carl Sweeney, both of which were by Figaro, were winners in their first year, and three of them, Lee Rose, Gilbert Rose and Frank Rubstaller, won at the first asking. Ravelena won two races as a two-year-old, Tawassutha six, Heather Scott seven, Lee Rose ten, Gilbert Rose five and Frank Rubstaller has already won two, with the promise of more.

Jockey Lucien Lyne is bob-sledding in Switzerland this winter. Lyne has signed to ride again this year in Belgium for Count Ribaucourt. John E. Madden and his sons, Edward and Joseph, are still at Hamburg Place.

MOVE FOR PARI-MUTUELS ON COAST.

"A united effort on the part of the followers of harness racing will be made at next winter's session of the California legislature to have a bill put through legalizing pari-mutuel and auction pools on horse races," says the San Francisco Call. "The harnessmen have come to the front during the last season and the sport gives promise of a bright future. There are all working in harmony. The matter of affiliation has been discussed thoroughly and it is probable that a convention of the representatives of the various clubs will be held. The matter of getting such a bill as outlined above through the legislature will be one of the chief topics for consideration. While harness racing has gained in popularity during the last few years the associations that have promoted various meetings have found it hard to put up good purses and break even without the betting feature of the sport. While oral betting is being legalized, the pari-mutuel races at Oakland track it is the belief of the harnessmen that pari-mutuel and auction pools would benefit the running sport as well as harness racing. It is the general belief that Thomas H. Williams, president of the Pacific Jockey Club, would welcome this form of betting in preference to the oral system now in vogue. It is believed that Mr. Williams will lend his support to the harnessmen in their efforts to put the bill through the legislature. The pari-mutuel system is the form of betting that is conducted on the race tracks of France, and it has been also tried in this country with success. It eliminates the bookmaker, who seems to have been the object of attack when the present law was framed. There is considerable criticism here among the followers of harness racing and the forms of sport that the Walker-Otis bill has failed to accomplish its purpose. They insist that the bookmakers are still in the ring, while other lines of sport are the sufferers."

THE INFLUENCE OF COLOR.

From a study of the stud book for British race horses an English statistician has figured it out that out of 1,104 foals by chestnut stallions out of chestnut mares 1,085 were chestnut in color. Discounting the possibility of one mistaken entry in 100 he concludes that when both sire and dam are chestnut the foal is always of the same color. He found also that many prepotent stallions bay in color always get bay foals out of chestnut mares. Three hundred and seventy foals by six such sires out of chestnut mares were all bays.

Winner—Ch. f. by Stalwart—Lady Balmow (trained by H. McDaniel).

Went to post at 2:16. At post 1 minute. Start good. Won easily; second and third driving.

Lady Stalwart left the post with a great burst of speed and, running away from her opponents, was pulling up at the end. Lady Ormicant closed up steadily and, wearing the others down, outstayed Stepfather at the end. The latter was tiring after getting away well and showing early speed. Agnes May and Easy Life were pocketed until well into the homestretch. James Mc. was crowded back at the start.

Went to post at 2:41. At post 2 minutes. Start good. Won easily; second and third driving.

High Range ran under slight restraint until entering the homestretch, where he moved up and, taking an easy lead in the final furlong, drew away cantering at the end. Harold Hall ran well, but was tiring at the end and driving hard to stall off Endymion. The latter was badly needed all the way and did not run his race. Splendida was off running fast, but quit after going a half in the lead. The winner, entered for \$400, was bid up to \$700 and bought in.

Winner—Ch. c. by Griffin—Rosebud (trained by J. J. Jones).

Went to post at 3:04. At post 1 minute. Start poor. Won easily; second and third driving.

Frank Purcell, off forwardly, followed the leader until on the turn out of the backstretch, where he went to the front with a rush and drew away into an easy lead, but was tiring at the end. Lotta Cred, in a tangle at the start and poorly ridden, finished fast on her own courage and just managed to get up in time to nose out Cindy. The latter was tiring after showing much speed for five furlongs. Ten Paces had no chance, as he was knocked far back at the start. The winner, entered for \$1,000, was bid up to \$1,300 and bought in.

Overweights—Lotta Cred, 1 pound; Ten Paces, 1; Starover, 1.

Winner—B. h. by Greenan—Goldseal (trained by L. Marion).

Went to post at 3:26. At post 1 minute. Start good. Won easily; second and third the same.

Green Seal outbroke the others and set the pace, but was taken back on the backstretch and permitted Sinfran to make the running, then closed up gamely in the stretch drive and got up in the last stride. Sinfran ran swiftly all the way and stayed much longer than usual. Polls came around the leaders on the outside in the stretch and was gradually gaining on the first two. Jack Nunnally was pulled up in the stretch. The others were always outpaced.

Tom McGrath was out on the turn out of the backstretch, where he attempted to go through on the inside and was taken to the outside and won drawing clear. Went to post at 4:04. At post 2 minutes. Start good. Won driving; second and third the same.

Mamie Algol ran under restraint until in the last half mile, where she moved up on the outside and, wearing Bellevue down, outstayed him in the final drive. Bellevue was waited with until entering the homestretch, where he rushed out and finished fast. Agreement led, but tiring in the last eighth. Agreement ran well and was easily best of the others. Little Fitz and Brookleaf made the early pace on sufferance. The winner was entered for \$500; no bid.
